RE: Amendment to 2021-22 Candidate Reports, 2022 Annual ("New Employee") Reports

Dear Clerk McCumber:

I am amending Parts A, C, and F of my 2021-22 Candidate Reports and 2022 Annual ("New Employee") Report to revise descriptions of reportable assets and income, as follows:

Sharon Arms Associates LLC

On all reports listed above, this asset is amended to instead be an asset class holding an interest in reportable real property, an apartment complex in Robbinsville, NJ. Asset value ascribed to Sharon Arms Associates LLC is amended to be reported in full to the ownership stake in the apartment complex, and all income is amended to be listed as rental income from that property.

Holding in Regal Bancorp, Inc. (RGBM)

On all reports above, I am adding a holding in the common stock of Regal Bancorp, Inc. (RGBM), valued between \$1,000-\$15,000, and paying no income.

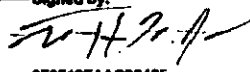

Income from the State of New Jersey

I am amending my 2022 Candidate Report to delete reportable income from the State of New Jersey during CY2022. I did not receive earned income from the State of New Jersey during CY2022.

Agreement with the State of New Jersey

I am amending my 2022 Candidate Report to add an agreement between myself and the State of New Jersey for continuation of my health benefits through January 31, 2022. This reflects standard health insurance benefits for departing employees of the State.

Sincerely,

Signed by: 

Rep. Thomas Kean, Jr.
