Re Amendments to previously filed Financial Disclosure Statements

Dear Mr McCumber, Clerk

It has been brought to my attention that my previously filed financial disclosure report for Calendar Year 2024 did not include disclosure of certain Exchange Traded Funds (ETFs) that were obtained as part of a transition to a new financial advisor for my and my spouse s retirement accounts Those ETFs were part of my wife s retirement account held at Story One advisors In addition, the ETF "iShares TR iShares SEMICDTR (SOXX) ' was not held as of 12/31/2024 and should be removed from Schedule A for my spouse s IRA Account held via Story One The following information serves to amend Schedules A of my 2024 financial disclosure report

Schedule A

In addition, as part of that rebalancing, the transactions for those ETFs as well as related publicly traded stocks were omitted. I became aware of these transactions on August 4, 2026 upon review of financial documents to complete my 2025 Financial Disclosure report. The following information serves to amend Schedule B of my 2024 financial disclosure report.
