HAND DELIVERED

LEGISLATIVE RESOURCE CENTER
2026 JUN 16 PM 12: 03
OFFICE OF THE CLERK
U.S. HOUSE OF REPRESENTATIVES

The Honorable Kevin F. McCumber
Clerk of the House
Legislative Resource Center
Washington, DC 20515

Dear Clerk McCumber:

This letter serves to amend previously filed financial disclosure statements. This year, in light of my wife's inheritance of numerous accounts from her mother, who died in 2024, I retained outside counsel to conduct a comprehensive review of our financial holdings for the purpose of preparing my financial disclosure statement for CY 2025. This letter thus presents more detailed information about the underlying holdings of accounts that had already been disclosed on my previous statements. The firm also identified certain accounts that had been omitted from prior statements and they are presented as well. The underlying assets identified in this letter are all publicly traded mutual funds or exchange-traded funds and a certificate of deposit. Please note that there are no individual stocks or individual stock transactions included in this letter. These accounts are all managed by independent financial managers and their firms.

Accordingly, my financial disclosure statements should be amended as follows:

First, Schedule A of my financial disclosure statements for the calendar years noted in the far-left column should include the following assets:

Year	Asset	Owner	Value	Income Type	Income Amount
2021-2024	Citibank – 5-Year Retirement CD – Matures 4/12/2026 [BA]	Self	$1,001-$15,000	None	None
2024	Jamin & Sarah Raskin JTWROS I/M (2501): Vanguard Small-Cap ETF (VB) [EF]	Joint	$1,001-$15,000	None	None

Second, Schedule B of my CY 2024 financial disclosure statement should be amended to include the following transactions:

Asset	Owner	Type of Transaction	Date	Amount of Transaction
Sarah B. Raskin IRA I/M (2701): EuroPacific Growth Fund – Class F-3 (FEUPX)	Spouse	Sale (full)	11/11/2024	$50,001-$100,000
Jamin Ben Raskin IRA (2901) : EuroPacific Growth Fund – Class F-3 (FEUPX)	Self	Sale (full)	11/11/2024	$15,001-$50,000
Jamin & Sarah Raskin JTWROS I/M (2501): Vanguard Small-Cap ETF (VB)	Joint	Purchase	9/5/2024	$1,001-$15,000

Third, in my American University Defined Contribution account, I reported a July 18, 2024 sale of Metropolitan West Total Return Bond Fund Plan Cl Shares (MWTSX) on Schedule B of my CY 2024 statement, but the value of MWTSX on Schedule A was not adjusted. This sale was a full sale (rather than a partial sale) and the value of MWTSX is therefore "none." In addition, because purchases of Dodge & Cox Income Fund Class X (DOXIX) were reported on Schedule B of my CY 2024 statement, DOXIX also should be listed as an underlying holding of my American University Defined Contribution account with a value of $500,001-$1,000,000.

Fourth, my Maryland Supplemental Retirement Plan, which was created when I was a State Senator, has always been reported on Schedule A. The underlying assets and transactions are now specifically itemized in Exhibits A and B.

Fifth, in the process of preparing our CY 2025 statement, I learned that we had inadvertently omitted a joint brokerage account held with Vanguard and a joint Transamerica variable annuity. These accounts' underlying assets and transactions are listed in Exhibits A and B. The Transamerica account will not make any annuity payments until 2046.

Sixth, along with her brother, my wife inherited her mother's IRA accounts in 2024. These accounts were held in cash but should be disclosed on Schedule A of my CY 2024 statement as follows:

Year	Asset	Owner	Value	Income Type	Income Amount

2024	Morgan Stanley Inherited Roth IRA: Morgan Stanley Bank N.A. [BA]	Spouse	$250,001-$500,000	Tax-Deferred	None
2024	*Morgan Stanley - Traditional Inherited IRA: Morgan Stanley Bank N.A. [BA]*	*Spouse*	*$50,001-$100,000*	*Tax-Deferred*	*None*

My wife also has a 50% ownership interest in 86 Old Road LLC, a family entity that previously held her *parents' residence. After the residence was sold in 2024, the proceeds from the sale were invested by an* independent financial manager in several publicly traded mutual funds and exchange-traded funds. These assets and transactions are detailed in Exhibits A and B.

Finally, my wife receives compensation from Vanguard, which has been reported on Schedule C of my previously filed financial disclosure statements. She has a long-term deferred compensation plan with Vanguard, which is comprised of Short-Term Investment Grade Fund Admiral Shares (VFSUX). She cannot begin to access these shares until after she retires. I am including the deferred compensation plan on Exhibit A.

Thank you for your attention. Please do not hesitate to contact me should you have further questions.

Very truly yours,

Jamie Raskin
