Subject Financial Disclosure Statement

Reference Ethics in Government Act (EIGA) for U S House of Representatives Committee on Ethics

Ladies & Gentlemen

This *Financial Disclosure Statement* documents that the *Groves for Congress* campaign has neither received contributions in excess of \$5 000 nor expended any contributed funds to date

The Groves for Congress campaign is entirely self financed by the undersigned candidate

The extraordinary circumstances of severe health repercussions due to my wife s medical condition as an invalid (documented by Medicare and Social Security) precluded an earlier *Financial Disclosure Statement*

Best wishes

Very Respectfully
