Re: Amendments to previously filed Periodic Transaction Report (PTR)

Dear Mr. McCumber:

It has been brought to my attention that a previous PTR of mine, that was filed on November 8, 2024, did not report the correct transaction date for eight (8) separate transactions made on the same day. The PTR listed these transactions as being made on February 22, 2024, when in actuality, they were made on March 27, 2024. It should be noted that these transactions are reported correctly on Schedule B of my 2024 annual report. The following information serves to amend said PTR to reflect the accurate transaction date.
