COMMENTS

On 8/13/26, I learned that a family trust made three stock sales on 12/16/25 that should have been reported as periodic transactions. A compliance firm missed them, discovering the oversight while preparing my annual House disclosure. I have no role in trust decisions & was not consulted on these trades but must report because my wife & children are partial beneficiaries. All sales were at a loss. I notified Ethics staff & reported on 8/14/26, & have initiated additional compliance review.
